

# Women's Ministry Update

Good Morning Ladies,

I am sending this special reminder about the Sacred Romance event coming up soon! This event is a bit different because it is on our property, but it is not sponsored by our Women's ministry team. Which means, you can attend the event as a registered participant to take full advantage of what is offered - or - if you are unable to register you can serve as a host volunteer in a few areas before and after the event.

### EVENT REGISTRANTS:

"Sacred Romance" is an all day event on Saturday February 25th, sponsored by Estrella Baptist Association. Jasmine Frazier has been invited to teach; Jasmine is a member of FBCGL and volunteers with us as a Biblical Counselor.

Registration for this event is required, and is handled through the EBA. I am including a registration form for you (attached). To participate in the event, you need to complete the registration form and turn submit your registration fee. If you want to turn it in to our church office, you may do so and we will submit it to the EBA for you. The registration includes lunch, learning materials, door prizes, and a free gift. (Child care is provided with your paid registration, but you MUST call our church office to secure a spot as they are limited).

### EVENT VOLUNTEERS:

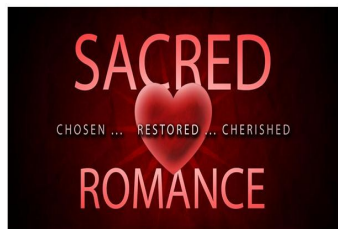

We encourage our ladies to register and participate in the event; However, if you are unable to participate in the full conference, there are still volunteer opportunities for you:

- On Friday evening before the event (February 24th) we need assistance setting up tables and chairs, decorating, preparing food service area, and a welcome center. The event team from EBA will arrive on our site between 5:30 - 6PM, so join us then to see how we can help them.
- On the morning of the event, we need ladies to welcome visitors, give them directions, and assist the association with registration. The event starts at 9AM so arrive to help welcome at 8:15 and you should be finished around 9:15AM.
- After the event, we need assistance restoring the facility for Sunday morning (removing tables and resetting the chairs, cleaning, trash removal, etc.). The event ends at 3PM so arrive at that time to help us clean up!
- During the event, I could use one additional child care provider to serve in the nursery/ childrens area (a small stipend will be paid to child care providers).

By the way (with the exception of the child care opportunity) - you can do both! I am planning to be a registered participant and a volunteer so I hope you will join me in this fun day! Please call me if I can provide any additional information!

Mrs. Kristy Stachmus

## SPOTLIGHT

Jasmine Frazier

We are blessed to have Jasmine as a member of our church family here at FB Church Garden Lakes. Jasmine is a successful business woman who runs a multi-million dollar company.

For most of her life she has been a driven person, earning a million dollars before the age of thirty. However, no matter how much she achieved there was always a desire for more. Until the day she met Jesus, and accepted him as her Savior. Jesus satisfied the void within her that the things of the world could not. She became a new person in Christ, and was challenged by how to practically live that out in the business world and in her marriage. God has taught her that her worth does not come from possessions, position or performance, but from Christ alone.

Jasmine teaches women in the work place and at home, encouraging them to see that their worth is a gift from God. She speaks in a way that is engaging and relatable, guiding women in practical ways to live out their identity in Christ.

Jasmine is a graduate from Golden Gate Baptist Theological Seminary with a Masters of Theological Studies. As a master Bible teacher Jasmine's teaching goes beyond her story, as she draws from the riches of Scripture to help women understand their role in today's culture. Jasmine lives in Arizona with her husband and high school age daughter.

March 9th - Bunco for Missions

April - Arizona Baptist Women's Retreat to Williams, AZ
