Giving  
Strategies

*For where your treasure is, there your heart will be also.*

*Matthew 6:21*

Answering God's call to faithfully support the work of His ministry should be as simple as possible. So we have created this handy giving guide to help you discover the right giving method for you!

## AUTOMATE YOUR TITHES & OFFERINGS

How do I automate my giving?

1. Contact your bank to set up automated bill pay for your account if you do not already have it. Most banks offer this free of charge.
2. Log on to your account online and enter your bill pay features.
3. Add the church as a new payee. You do not need the account #, just the church name and address noted on the back of this form.
4. Set up a recurring payment to be made in any amount you choose. You will also choose the draft date, and the recurrence (Ex: 1st day of each month, every other Friday, every Monday, etc.)
5. You can make changes as needed, within the terms of your bank's automated bill pay agreement. Additionally, you can add special or one-time offerings as needed.
6. You can direct your giving by using the "account number" line. Instead of entering a number, enter descriptions like "tithe," or "VBS," depending on how you want your funds directed.

## TRADITIONAL METHODS

Are there ways I can give at the church?

Offering envelopes are provided in the church office, the foyer, and in the seat back pockets of the sanctuary seating.

1. Place your offering in the plate as it is passed on Sunday mornings.
2. Place your offering in the secure offering box\* located on the southwest wall of the sanctuary.
3. Mail or deliver your offering to the church office to be secured in the safe\*.

\*for their own safety, ministry personnel have no access to open the offering box or safe

**Reasons to Automate:** No more remembering to send in your check or bring your checkbook. You can make sure your offering is here even when work, or play, takes you away for a Sunday. Like writing a check, it makes tracking and record keeping easy and it's more secure than making cash donations!
